**High Power Vintage Military Rifle Match**  
**23 July 2022**  
**Match Report**

The weather was hot as were some of the few shooters who showed up. Richard Rutkowski, an old hand at HP rifle shooting who had not shot in competition for many years, joined us today and came away as Match Winner with his 285-6x which established a new SLSC range record in this discipline in the Modified Rifle category. He was shooting a match M1 he won in Navy competition many years ago. Not to be deterred Mark once again ruled the As Issued entries with another record setting score of 283-4x and his son Jake's standing 91-1x was the new record in the Modified category. Congratulations to them all.

I am attaching a copy of our range record scores for your information. You may see a score you think you can top and decide to join us sometime. You will get a warm welcome and have a good time regardless of how well you shoot in any case. We are friendly and helpful and always looking for new faces to join us in a good rifle match. We have loaner shooting mats and spotting scopes available if you do not have your own yet.

Our next match will be the always challenging National Match Course of fire which will be shot on August 27<sup>th</sup>. A copy of the match program is attached. If you are not interested in high power rifle competition the club also offers some matches for .22 rimfire shooters. Just check the club website for details and dates.

My thanks as usual to the faithful, member and non-, who show up at these matches and help get the range ready for the match prior to and back in order after the event.

Dick Chadwick, Match Director

**Official Results Bulletin**

<b>Name</b>	<b>Rifle/Cal.</b>	<b>Prone Slow</b>	<b>Prone Rapid</b>	<b>Standing</b>	<b>Aggregate</b>	<b>Place/Category</b>
